

Africa & Middle East Network Workshops

<p>2nd Project Academies Workshop The Cycle of Learning</p>	<p>23/24 Jun '09 <i>The Hilton London Heathrow UK</i></p>	<p>This workshop launches our new Project Academies benchmarking assessment and investigates the most effective ways for project professionals to develop skills on the job through Knowledge Management (KM) and Learning from Experience (LFE). The development of a knowledgeable and competent cadre of project professionals is one of the most pressing requirements for most organizations.</p> <p>We will explore the nature of world class LFE and will look at how organizations can best build an effective cycle of learning. The achievements of the Project Academies Working Party will be presented, launching our new benchmarking instrument and providing a full analysis of the results of our recent Project Academies Survey.</p>
<p>Advanced Planning & Estimating: Back to Basics?</p>	<p>20 Aug '09 <i>Johannesburg, South Africa</i></p>	<p>Human Systems' research shows that despite the critical importance of excellent planning & estimating, organizational competence in this vital topic has hardly changed in almost 20 years! What is the impact of poor planning? Why do we still set projects running with inadequate estimates and without good plans? This workshop sets out to identify those fundamentals that should never be overlooked and explores what it takes to achieve world-class planning & estimating capability.</p>
<p>8TH ANNUAL GLOBAL WORKSHOP Delivering Corporate Strategy Right Workforce? Right Skills?</p>	<p>21/22 Oct '09 <i>Hyatt Regency Reston, Washington DC, USA</i></p>	<p>This invitation-only workshop will bring together senior executives to discuss how best to gather the right number of people, with the right skills to deliver corporate strategies through portfolios, programs, and projects.</p> <ul style="list-style-type: none"> • How do you know how many people you need? • How do you know what skills you've got and what is required? • How do Project Academies fit into the picture? • What is the role of accreditation and professionalization? <p>Ask about joining us for this prestigious annual event.</p>
<p>Delivering on Strategy: Benchmarking your way to better performance</p>	<p>4 Feb '10 <i>Johannesburg, South Africa</i></p>	<p>This workshop will present the process of using organizational capability and global cross-industry benchmarking to demonstrate current and future project management capability as proof of an organization's ability to delivery on strategy. This will be illustrated through the real life stories of organizations in the public and private sectors.</p>
